

SCHOOL FUNDS

1.0 Rationale

The board wishes to ensure that mandated requirements of Stewardship and Accountability of School Funds be applied consistently and without bias and to enhance the accessibility of financial reporting of School Funds to the Students, Parents, Teachers and other members of the school community.

2.0 Definitions

3.0 Policy

It is the policy of District School Board Ontario North East to adopt the OASBO Finance Committee Guideline for School Generated Funds for the accounting and reporting of school funds.
